

Section 3 - External Auditor Report and Certificate 2023/24

In respect of

Freeland Parish Council

1 Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2024; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor report 2023/24

Except for the matter below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The inspection period for the exercise of electors' rights was set for 33 working days which is more than the mandatory 30 working days as set out in the Accounts and Audit Regulations 2015, Paragraph 14(1). Although this is considered to be a minor technical breach, given more than the standard amount of time was provided for, in future the Council should ensure it provides the precise public inspection period. We would anticipate the Council taking this into account when it completes Assertion 4 on its 2024/25 Annual Governance and Accountability Return.

The balance per Box 10 of Section 2 - Accounting Statement does not agree to the third party evidence provided due to a bank holiday delaying the date of one repayment. Supporting documentation later provided by the Council confirms that the Box 10 figure should read £209,663.

Other matters not affecting our opinion which we draw to the attention of the authority:

Insufficient information was provided with the initial supporting data submitted for review with regards to significant variances, which was later provided on request. The Parish Council should in future ensure that all the necessary supporting information is provided with their annual submission.

The approval signature on Section 2 of the Annual Governance and Accountability Return has been entered into the date box. Whilst we have no concerns over the correctness of the approval following our review, care should be taken to ensure the correct signatures and dates are in the correct box.

3 External auditor certificate 2023/24
