## **LETTER FROM OUR RECTOR, REV'D DR STEVE STEWART**

### **Christmas: True or False? ...**

With Christmas only just round the corner, I thought it could be fun to prepare ourselves for this special time of year, in which we remember and celebrate Jesus Christ coming into the world, to have a little “True or False” quiz for Christmas. Something to help us understand what the Bible says – and does not say – about the birth of Jesus Christ. So here we go (all questions are based on the birth and infancy narratives in the Gospels of Matthew and Luke in the Bible).

#### **True or false?**

1. Mary and Joseph lived in Bethlehem before Jesus was born.
2. The angel Gabriel appeared to Mary before she was married to Joseph.
3. While watching their flocks at night, the shepherds were told about Jesus' birth by an angel.
4. The wise men visited Jesus on the night he was born.
5. The star that the wise men followed stopped over the house where Jesus was.
6. King Herod asked the wise men to tell him where Jesus was so he could worship him.
7. The baby Jesus was placed in a manger because there was no room in the inn.
8. Simeon and Anna both met the baby Jesus in the Temple in Jerusalem.
9. Joseph took Mary and Jesus to Egypt to escape Herod's plan to kill the child.
10. The Gospels say there were three wise men.

#### **The answers are on the page 9. How did you get on?**

I love a good school Nativity play as much as the next person: it's all part of the joy of Christmas. Nonetheless, it's also important to recognise that the Gospels in the Bible present themselves very much as historical accounts. Therefore, at the very least knowing what the Bible does and doesn't say about Jesus' birth is important.

Here are a few deconstructed common myths about the birth of Jesus with which you can bore your friends and family with this Christmas 2025:

#### **There were three kings at the manger:**

The Bible never says there were three, nor that they were kings. Matthew simply mentions “wise men from the East” (Greek magoi) who brought three gifts — gold, frankincense, and myrrh. The number of visitors and their royal status are later traditions.

#### **Mary and Joseph arrived in Bethlehem on the night Jesus was born:**

Luke's Gospel says only that “while they were there, the time came for her to give birth” (Luke 2:6). It does not suggest a last-minute arrival. They may well have been in Bethlehem for some time before the birth.

**St Mary's Church, Freeland.**

Service for children and families telling the story of Christmas, along with the Christingle and favourite carols

**Gifts of oranges with sweets for  
all children and ending with  
candle-lit singing**

**Supporting the  
Children's Society**

## **Continued ...**

### **Jesus was born in a stable:**

The Gospels never mention a stable. Luke says only that Jesus was “laid in a manger” (2:7), which could have been inside a house — many first-century homes in the region had a lower area for animals, complete with a feeding trough.

### **The angels sang to the shepherds:**

Luke 2:13–14 says the angels “praised God, saying” — not singing. The idea that they sang (“Glory to God in the highest”) comes from Christian tradition and carols, not from the text itself.

### **There was an innkeeper who turned Mary and Joseph away:**

The “innkeeper” is never mentioned. Luke says there was “no room in the *kataluma*” (a Greek word that can mean guest room or lodging space). It may have been a family home that was too full, not a public inn with an innkeeper.

**Fun for all the family! But of course, the big question is not whether one can answer a True or False quiz on the specific details, but whether the whole thing is true or false! Is it true that Jesus Christ, “God with us”, was born into the world a couple of thousand years ago; or is it all just false? What answer would you give to that question: true or false?**

To find out more – and to enjoy a lot of fun as well – join us at any of our Christmas events this year.

With much love in Christ Jesus and every blessing for Christmas,

**Revd Dr Steve Stewart,  
Rector, Hanborough and Freeland**

### **True or False quiz answers**

1. False (they lived in Nazareth before going to Bethlehem - (Luke 2:4)
2. True (Luke 1: 26-27)
3. True (Luke 2: 8-9)
4. False (They came later, to a “house” - Matthew 2:11)
5. True (Matthew 2:9)
6. False (He said that, but secretly wanted to kill Jesus - Matthew 2:8-13)
7. True (Luke 2:7)
8. True (Luke 2: 25-38)
9. True (Matthew 2: 13-15)
10. False (The number of wise men is not given - only that they brought three gifts)

## **Play Park**

The new installation has all been ordered with the work due to start in the near future, subject to weather conditions. We are sorry if parts of the park will need to be closed for the works to be carried out.

## **Council tax**

Freeland Parish Council has decided not to increase the council tax precept this year, which will remain at £72,001 for the 2026–2027 financial year. However, as the tax is based on Band D-rated properties, and some residents receive discounted rates, the actual amount collected may fluctuate slightly.

## **Defibrillators**

We are very lucky to have 2 defibrillators in our village. One is located by the Primary school in the old telephone box. The other is located to the lefthand side of the village hall porch. If these are used for an emergency please let me know asap on Clerk@freelandparishcouncil.gov.uk so the pads can be replaced. We hope that they aren't needed but it is good to know they are there just in case.

## SPEEDWATCH

Unfortunately, we have had to close down the Speedwatch activity in Freeland for the current time due to an insufficient number of volunteers coming forward. This is despite several announcements made that more people are required to enable us to continue and operate successfully.

If you would like to join us and help with this important activity – particularly with regard to the introduction of the 20mph speed limit in the centre of the village, please do contact us. If we receive a sufficient number – we need a minimum of nine more people, we will try to restart the activity.

## **FREELAND ENERGY GROUP (FEG)**

**'Happy New Year'** What's on your new year resolution list – you know the resolutions which you really want to keep? How about starting by signing up for a thermal image taken of your house? Contact us, so when the weather is just right – cold, but not wet we will know where to point the camera.

Do you want to find out about insulation, and not sure where to start? FEG has a list of neighbours happy to share their experience – do get in touch. Or how about joining FEG? We are a small group and more hands would be very useful. Currently we meet up monthly, fairly informal. **The next meeting will be in the Newell Room, Tuesday 6th January 11.00am - just pop in.** (And yes, some of us will have been to the Cake Café first). Maybe even join us on zoom if that works for you, do get in touch.

Do you organise meetings for your group? Would you like an expert on better insulation, house retrofit or managing heating bills to talk to your group? We can link you up to that expert - do get in touch. Coming up in the New Year within the CAPZero will be a series of monthly meetings for local businesses: January's meeting hosted in Eynsham,

will be on sources of funding to help green your business; February will be in Freeland (At the Yeoman on 25th 5.30pm); March will be a practical workshop. Get in touch for further details.

Thank you to the local residents who dropped by our table at the Village Fayre on 22nd November. There was a good spread of information leaflets and free samples to take away and the energy expert on hand too. Do get in touch if you would like to host this kind of table at your next event.

## **"MEMORIES OF LIFE IN FREELAND"**

It is my desire to create and (eventually) publish a collection of "Memories of Life in Freeland" and also possibly set up a history group within the village to preserve any photographs, maps, leaflets etc that may exist.

I have already spoken to a number of villagers about this and found a positive and willing response. If you are interested in submitting material, or being involved in any way, please contact me by phone or email or just call in for a chat!

## **LITTLE FREE LIBRARY NEWS**

Thank you to everyone that came to the Christmas lighting event at the Village Hall on the 5<sup>th</sup> December: it was great to chat to you, and we enjoyed giving away so many Christmas books. We save them up during the year especially to give away at this event. See you there next year!

Thank you as always to our dedicated team of volunteers who work hard all year to keep the Little Free Library tidy and well-stocked. Sue, Fi, Jenny and Caroline: you are amazing, and all your help is greatly appreciated.

We're looking forward to seeing which books come and go in the new year as you all make room for the new books that you received as Christmas gifts. The Little Free Library is an easy way to pass on your pre-loved books so that other people can enjoy them, too.

We wish you a Merry Christmas and all the best for the coming new year.

Matthew and the Little Free Library volunteers, (Sue, Fi, Jenny and Caroline)

## **FREELAND COMMUNITY HUB UPDATE**

A quick update this month, just to pass on the wonderful news that we have secured Charitable Status, and so Freeland Community Benefit Society (FCBS) will now be known as "Freeland Community Hub", which is simply the charitable version of FCBS.

Regarding the purchase of the Chapel, all we're waiting for is to agree the contract then we can issue the Share Offer in the New Year. While we are waiting for this, we are taking the opportunity to renew the permission for the Chapel to become a Community Hub. Watch out for more news early January.

In the meantime, we had 85 runners/walkers turn up for the inaugural Freeland Santa Run, organised in support of the Chapel renovation fund. Pictures below and on p31. Donations totalled **£654.12**, and congratulations to **Nathan Bean**, who won the Little Elf 2.5km course in a time of **19 minutes 20 seconds**, and **George Stanley** who won the Full Santa 5km course in an incredible time of **21 minutes 51 seconds**!

Wishing you all a merry Christmas and a happy New Year; 2026 will be a BIG year for Freeland's new Community Hub!

## **FREELAND WINE CLUB**

The wine club met for the annual free social on the 28th November, with festivities preceded by the AGM. The annual and financial reports were accepted and the committee re-elected for the ensuing year. A decision was made to distribute some excess funding to local charities / voluntary organisations and maintain membership costs.

The evening which was enjoyed by 48 people continued with a great spread of food provided by the members and a selection of wines provided by the club.

Entertainment included a raffle, a great quiz and a Guess the Corks game. All washed down with wine and flowing conversation.

The next event for your diary is on the **Friday 30th January at 7.30pm** in Freeland Village Hall. Entitled Italian Wines from Undercover Italy given by David Burlton of Winetradersuk.

## **FREELAND WI**

As 2025 draws to a close it is a good time to reflect on another busy year for Freeland WI and look back on some of the activities that took place. We have been fortunate to have had a wonderful variety of events for our members to enjoy, one of which was participating in a 'whodunnit?' play written and performed by author Peter Tickler supported by a few of our ladies, which resulted in some very interesting and humorous deductions to the perpetrator of the crime.

In August we spent a beautiful summer's evening learning how to play a traditional game of croquet at Eynsham Croquet club. Following patient and detailed instructions, several games were played which did get rather competitive.

Other memorable evenings included a practical session of origami as a form of relaxation, creating beautiful Autumnal floral designs guided by flower tutor Chris Pearce, as well as several speakers delivering talks on subjects such as the history and etiquette of afternoon tea, and the decline of the Evenlode river and hope for its restoration. We were entertained by magician Steve Wilkinson who left everyone mystified with magic and mind reading and in November, a lively cookery demonstration creating canapes for Christmas. A truly enjoyable year with fun and friendship along the way.

Our exciting 2026 programme will be in the February edition of the Grapevine and on the Village Hall notice board.

On **Monday 12th January** there will be a New Year party for all our members. For our meeting on **Monday 9th February** starting at 7.45pm, we will be teaming up for a Jigsaw Race.

Finally, on behalf of all the members of Freeland WI, we would like to wish everyone a peaceful Christmas and best wishes for the New Year. We look forward to seeing you in 2026.

Freeland WI meet on the second Monday of the month in the Village Hall commencing at 7.45pm. The meetings usually consist of a speaker or activity followed by a raffle and refreshments. A copy of our 2025 programme was included in the January edition of the Grapevine (available on the Freeland Parish Council website) and on the Village Hall noticeboard. Visitors are always welcome to join us for an evening for a suggested donation of £5.

Freeland WI is a fun and friendly group of ladies who enjoy a wide and varied range of activities. For more information check out our Facebook page @Freelandwi or contact our secretary **Rosie James** on **01993 881997** or **freelandwi@oxfordshirewi.co.uk**.

Restorations continue and our South Midland minibus is having a new engine fitted in preparation for the 2026 season. Our 1948 Morris 10 Series M's full restoration is nearing completion and it should emerge from the workshop in 2026.

Some museum volunteers have clubbed together to buy and therefore save, a 1944 Morris Post Office series Y van, GZX 685. It arrived at the museum on the 8<sup>th</sup> October to be stored until restoration starts. The first task is to fit four new tyres so it can be moved more easily.

The Morris series Y 100 cubic foot vans were first used for postal work in 1939, when two were purchased. They had an 11.9hp side -valve engine and a 10cwt semi-forward-control with an all-steel construction. Interestingly, the engine was positioned to one side, allowing the driver to sit beside it with no room for a passenger.

GZX 685 is a Cowley-built Series Y van and one of a batch of 350 supplied in 1944 to Royal Mail. We understand that it spent its early years in rural Cumbria before being sold to a carpenter in Nottingham where, it is believed, it was used in his business for the transportation of coffins. It was last used in 1964.

About twenty years ago, GZX 685 was purchased by a local collector with the desire to save it, because it is thought that only two other Royal Mail versions of this type have survived. On learning that it was still awaiting restoration, a syndicate of seven museum members have joined together with the aim of restoring it to its original condition for the Museum. Watch this space!

## **LOCAL GOVERNMENT REORGANISATION**

### **West Oxfordshire District Council submits a proposal for 2-Unitary Councils in Oxfordshire**

The government is facilitating a programme to move away from the current two-tier system of district and county councils, and replace them with single ‘unitary’ councils responsible for all local services in an area. Earlier this year, the Government invited all councils in two-tier areas, including Oxfordshire, and small unitary authorities, to simplify the way services are delivered and make the system clearer for residents.

The government assigned a set of criteria that the new proposals should meet. The proposed councils should serve populations of around 500,000, be financially stable, deliver high quality services, be responsive to the needs of communities, and support positive growth across the region.

Four Oxfordshire District Councils, Cherwell DC, South Oxfordshire DC, Vale of the White Horse DC, West Oxfordshire DC and West Berkshire have worked together to create a proposal for two new, innovative and locally accountable unitary authorities for Oxfordshire and West Berkshire. They would cover the following geographical areas:

- **Oxford and Shires Council** would comprise all the existing district areas of Cherwell, Oxford City and West Oxfordshire.
- **Ridgeway Council** would be made up of the whole of West Berkshire Council’s area and all of the existing district areas of South Oxfordshire and the Vale of the White Horse. For more information, see: <https://news.westoxon.gov.uk/news/five-councils-launch-ambitious-plan-for-local-government-reform>

The two other proposals are: “**One Council: One Oxfordshire**”, put forward by the Oxfordshire County Council,

<https://www.oxfordshire.gov.uk/sites/default/files/file/plans-performance-policy/OneOxfordshireProposal.pdf>; and “**Greater Oxford**”, put forward by the Oxford City Council, proposes the formation of three unitary Councils,

<https://greateroxford.org/our-proposal/>

The 2-Unitary Authorities proposal is designed to tackle existing inefficiencies, improve services, and support local communities. It has the potential to save the most money of all the options, with possible savings reaching **£58.9m** a year. It would create authorities that are big enough to be efficient, stable and reliable, but local enough to care and be responsive to communities.

The three proposals were debated at the Full Council meeting in mid-November. The 2-Unitary Councils proposal received widespread support from Councillors across the political spectrum and was recommended for submission to the Government later in November.
