LETTER FROM OUR RECTOR, REVD DR STEVE STEWART

A few nights ago, I had a dream of Christmases past: I was back in the world of my late teens or early 20s, first buying Christmas presents in a beautifully decorated department store and then at home with my parents enjoying a fabulous Christmas morning. I had the blessing growing up of a lovely home and it brought back wonderful memories of days gone by.

I always find it a rather strange time when Christmas is over: the visiting and family meals complete; the carol services ended; the presents exchanged and opened; and the decorations taken down. All that is left is a memory. For some, that memory will be a joy, while for others Christmas may not be such a happy occasion. Whatever your experience, the celebration now belongs to the past.

One of the things which has always struck me about the person of Jesus Christ is that whilst he is, of course, an historical figure of the past, he is also God of the present moment and of the future. Christianity is not a process by which believers simply observe past institutional rituals, or worship a God who did things once-upon-a- time, yet who is now inactive and silent. No.

Indeed, it is the very hallmark of Christianity that we are people who have a real concrete hope in the future: of Jesus' return; of being resurrected to new life when he comes again; a hope not just of some future event but of eternity itself.

Whatever memories Christmas held for you, in our churches at St Peter and St Paul Church Hanborough, Christ Church Long Hanborough and St Mary's Freeland, we are able, in Jesus Christ, not to look merely to some unknown future but rather a certain future. A future in which we experience eternal fullness of life in all of its glorious, forgiven, loved, and perfect joy with God.

Being a Christian is not an idle wish for something like the "perfect Christmas", but rather a hope based on historical past facts principally, the life, death and resurrection of Jesus Christ – for abundant life now and into all eternity.

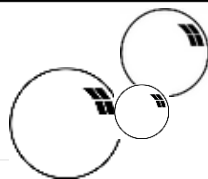

In 2026, our Churches at Hanborough and Freeland will be having events where you can - without any pressure at all - learn more about this certain hope, so watch out for details of these. And of course, every one of you is welcome to join us at any of our 10.00am services on Sunday mornings. We would be delighted to see you.

With much love in Christ Jesus.

**Revd Dr Steve Stewart,
Rector, Hanborough and Freeland**

GREAT NEWS FROM HANBOROUGH RAIL STATION

I am delighted to report that the waiting room at Hanborough Rail Station reopened on January 7th! It hosts Café de la Gare, which will be serving refreshments on weekdays from 6am to 11:30am. The public conveniences will also be available at that time.

Moreover, from mid-January, approximately 30 additional car parking spaces will be available for rail users at the station car park. The West Oxfordshire District Council's administration worked with GWR to bring about these changes to improve passenger support at the station.

Supported by our local MPs, Calum Miller and Charlie Maynard, the WODC team will continue working to address the car parking space shortages at the station in the short, medium, and long term by bringing together GWR, Oxfordshire County Council and other stakeholders to discuss potential options for car park expansion. Our other short/medium-term objectives are to improve the pick-up and drop-off area, get better alignment of public transport schedules with train timetables and improve cycling access.

BRIDEWELL GARDENS OPEN DAYS 2026

Bridewell Gardens provides a mental health recovery service for West Oxfordshire, supporting people who have experienced serious mental illness. Bridewell is a creative and inspiring walled garden and vineyard where people can find hope in recovery through gardening and working with nature.

In the words of one of our former gardeners *"A small mental-health charity with muddy paths, patient people, growing things — and absolutely no pressure to pretend everything's fine when it isn't."*

Another said: *"I thought I was crashing to the ground before starting at Bridewell. Bridewell has been my parachute and has glided me down. It has increased my confidence and helped reduce anxiety levels. It got me out of the house and gave me structure and routine to my week."*

The walled garden and vineyard are open to the public for our Open Days between 11am and 4pm on: Sunday 19th April, 17th May, 14th June & 6th September.

Special event: Winter Wander, 15th February 2026, 10am to 1pm.

There is a pop-up café in the garden for tea and cake. High quality plants for sale, home produced jams and chutneys and our acclaimed sparkling wine. Make a day of it, bring a picnic blanket and relax in the vineyard with friends and family. Speak to Bridewell staff about the recovery service and the support provided at the gardens. Dogs on leads are very welcome. Families and children are encouraged to explore the site.

No booking required. Suggested donation £5 per person.

ASH WEDNESDAY WHOLE BENEFICE COMMUNION

at St Peter and St Paul 18 Feb 2026 at 7pm

We welcome everyone to our Ash Wednesday service to mark the beginning of the season of Lent by sharing the Lord's supper together, and through the traditional practice of the "imposition of ashes". In this practice, which goes back to the biblical association between ashes and repentance, the leader of the service marks the forehead of each person who chooses to come forward with the sign of the cross in ashes. This serves as a reminder to us of our utter reliance on the grace of Jesus Christ through the Cross for our salvation. Ashes of course serve also as a symbol of death and our resurrection to life in Christ, for as Paul says to the Ephesians:

"As for you, you were dead in your transgressions and sins ...we were by nature deserving of wrath. But because of his great love for us, God, who is rich in mercy, made us alive with Christ even when we were dead in transgressions- it is by grace you have been saved. And God raised us up with Christ and seated us with him in the heavenly realms in Christ Jesus, in order that in the coming ages he might show the incomparable riches of his grace, expressed in his kindness to us in Christ Jesus. For it is by grace you have been saved, through faith- and this is not from yourselves, it is the gift of God- not by works, so that no one can boast" (Ephesians 2:1-9).

Non-Oxfordshire residents will face a **£15 charge** if they want to use recycling centres in the county from January onwards. CAN YOU HELP TO FUNDRAISE FOR THE RENOVATION OF THE METHODIST CHAPEL IN FREELAND?

Freeland Community Hub is looking for people who are willing to help fund raise for this project. In 2026 we would like to have an event **every month**. It does not have to be a big project, but you must be able to organise it with minimum support from the Committee.

So please get thinking - what are you good at? Is there an activity you already take part in that could help to raise funds? It would be good if each club in the village could take part.

**For more information please contact
Jane Duff freelandgrapevine@gmail.com**

FREELAND COMMUNITY HUB UPDATE

A quick update this month, just to confirm that having secured Charitable Status from HMRC before Christmas (in super-quick time), everything to do with the purchase of The Chapel is moving on apace. **See an important announcement at the bottom of this page!**

As explained in the January edition, we are now **Freeland Community Hub (FCH)**, the new Community Benefit Society (CBS) with charitable status. This means FCH can now claim Gift Aid on personal donations from UK taxpayers, and business donations to FCH will be tax deductible. Charitable status also makes it easier for us to apply for support from grant awarding groups. These changes do not affect the share offer or share model in any way.

You will appreciate there is quite a bit of work to do transferring operations from Freeland Community Benefit Society (FCBS) to FCH, including setting up the new website, so please bear with us while we make those changes.

Another brief announcement is that we are legally obliged to ensure that our financial decisions are transparent, fair and secure the best long term outcome for the community of Freeland. To comply with best practice, we have therefore decided to issue an open invitation to tender (ITT) for the café tenancy. As you know, we have already had discussions with Donna and Trevor from the Yeoman about taking on the tenancy. The Yeoman remains our preferred candidate, but they also recognise the importance of a robust and transparent process. The ITT is available on the website www.freelandcbs.community. Please share this with anyone who might be interested - and note the deadline of **9th February**.

Lastly, **we are launching our Share Offer at a special meeting on Thursday 12th February at St Mary's in Freeland at 7.30pm**. Come along to find out what your options are to finally fulfil your pledge so we can complete the purchase of the Chapel. We will be giving a short presentation and answering questions. We also plan to set up some drop in sessions in the Newell Room over coming weeks to ensure everyone feels confident about next steps.

LITTLE FREE LIBRARY NEWS

You may have noticed that one of the doorknobs has fallen off the (new) Little Free Library. I have contacted Blenheim and they told me that they'd replace the doorknob as soon as they can. Thank you for your patience, and, in the meantime, please be careful when opening and closing the doors.

We have had an extraordinary amount of children's picture books donated recently, so please do take as many as you like. We really appreciate our community's generosity in giving so many books to share, and it is wonderful to know that we are raising a young generation of bookworms!

As ever please be mindful when donating books by checking that there are no personal items hidden inside (for example prescriptions or photos) and please recycle at home any books that are very outdated or falling apart. We're lucky that the majority of books given to us are in great condition, but sometimes we do find books that are better off in the recycling bin.

Thank you for your continued support and generosity, and happy reading!

THE OAK BOOKCASE IN ST MARY THE VIRGIN CHURCH, FREELAND

When my parents died, I wanted some memorial to them in Freeland Church, so I asked the Rector, Reverend John Blythe, what did he think? "Not another bench!" he said, "but a bookcase for hymn books in the Church would be very acceptable." So I purchased some oak timber from the Eynsham Hall Sawmills in North Leigh, and Don, a fellow lecturer in Carpentry who worked with my late husband, constructed the bookcase as you see it now.

I was pleased with the result and a small ceremony was held with Revd John Blythe, who dedicated it to the memory of William Charles Clifton of Cooks Corner Farm, who died in March 1978 aged 79 years, and Hilda Gertrude, his wife who passed in June 1985 aged 76 years. Both came from generations of farming families, and bought the farm in Freeland in 1930, soon after their marriage. Sadly it had to be sold in 1973 when father became ill.

Both parents lie in the Churchyard near the Holy Cross Memorial, fitting as father was a World War I veteran in the KSLI and with his battalion won the **Croix de Guerre avec Palme** which is now displayed in the Shrewsbury Castle Military Museum. I am very proud of their achievements and of course the fitting of the bookcase to the left of the Church entrance. Thank you to the late Reverend John Blythe.

FREELAND WI UPDATE

By popular demand, our 2026 programme began once again with a New Year's party. Members all contributed towards a tasty two course shared supper all washed down with a glass or two of fizz. The evening was a welcome opportunity for our ladies to sit and chat over a bite to eat. After the delicious repast, we were entertained by Richard Conway with a game of Rock 'n' Roll Bingo.

Instead of numbers as on a traditional bingo card, these are replaced with song titles and artist with a 30 second excerpt of each track being played. Great fun, everyone was singing along to the music with eventual winners of course. A great twist on a well-loved game. Our next meeting on Monday 9th February starting at 7.45pm, we will be teaming up for a Jigsaw Race.

Freeland WI is a fun and friendly group of ladies who enjoy a wide and varied range of activities. It meets on the second Monday of the month in the Village Hall commencing at 7.45pm. The meetings usually consist of a speaker or activity followed by a raffle and refreshments. A copy of our 2026 programme was included in the February edition of The Grapevine (available on the Freeland Parish Council website) and on the Village Hall noticeboard. Visitors are welcome to join us for an evening for a suggested donation of £5.

OXFORD BUS AND MORRIS MOTORS MUSEUM

There is much more going on at the Bus Museum than just a static display of artifacts. The 2026 programme of events is now on our website www.oxfordbusmuseum.org.uk. We shall load more details as the date gets nearer.

On New Year's Day we had a Christmas Jumper competition and were surprised by the number of visitors who took part. The winners of the adult section were a family, David, Myra and Paul. The joint winners of the children's competition were Harvey and Lucas.

Three buses also visited the museum on New Year's Day giving free heritage bus rides. Often visiting buses have interesting stories and histories to be discovered. The first visitor was an ex-London Transport Routemaster- RM 1859 in Reading livery. It is Leyland-engined with an AEC / Park Royal body. New in 1964, the bus worked in London until 1984, when it was acquired by St John's Ambulance and used for transporting volunteers.

The second bus was the first Optare Spectra ever to be built. The Spectra was a joint venture between Optare and DAF with the body based on a design by MCW Metrobus. This bus was built on a DAF DB 250 chassis and was exhibited at Coach and Bus Exhibition in 1991, before being sold to Reading Buses in February 1991 and numbered 701.

The last visitor was a 1961 AEC Regent V like our 1957 bus, 956 AJO but with a major difference: it is left-hand drive and was built for export to Lisbon, Portugal. It is often forgotten now, but in the 1950s and 1960s, Britain was a major exporter of bus chassis and second hand buses. Our next event is our half-term running event on **Sunday 15th and Wednesday 18th February**. Watch the website for details.

FREELAND GARDENING CLUB UPDATE

We hope all our gardening friends had a peaceful and happy Christmas and New Year. We look forward to a new gardening year ahead with signs of spring already. Spring flowers will soon be a very welcome sight.

Our new year began with a talk by Kathy Slack on 26th January entitled 'Grow Yourself Happy'. More about this next month. The next new speaker to our Club on **Monday 23rd February at 7.30pm in Freeland Hall** is Jo Worthy-Jones with a talk entitled **'Gardening with Wildlife in Mind'**. There is so much encouragement to think of wildlife now and the many benefits they bring so we look forward to getting more advice about how to achieve this.

We are a very friendly club with many excellent speakers of varied subjects. If you have recently moved into the village, we would love to welcome you and help you make some new friends. We have a Plant and Gardening Items Sale at every Hall meeting as well as a time to socialise over a cup of tea or coffee. For any further information about the Club please contact me at **daltonjanet9@gmail.com**.

AUCTION OF PROMISES

FREELAND COMMUNITY HUB

It is the intention to hold an **Auction of Promises** to raise funds for the Freeland Community Hub on the evening of

Saturday 14th November 2026
in Freeland Village Hall.

It would be appreciated if all Freeland organisations take note of this date to avoid clashes.

Broadly, the auction will proceed in a similar manner to the very successful and enjoyable auction held in 2010 to raise money for the church bells appeal, but this time will hopefully incorporate an on-line auction for those that cannot attend the physical auction. The on-line auction will occur immediately prior to the physical auction with the high bid being the starting bid for the physical auction. Sealed bids may also be made.

The evening itself will be ticket only and the ticket price will include buffet style food and in addition refreshments will be available.

We will need assistance to obtain promises and on the night there will be extra help needed to enable the event to run smoothly.

The event is being co-ordinated by Graham and Ria Lay and if you are interested in being involved either as a member of the auction committee, a helper or as someone wishing to contribute a promise then please contact them by phone **07460 223048**, by email **grahamlay4@gmail.com** or call in at **139 Wroslyn Road** for a chat about it.

We will hold an **informal meeting at 139 Wroslyn Road on Monday 16th February at 19.30** for those who may be interested in being involved to come along for a chat.

More detailed information will be included in future editions of The Grapevine particularly regarding event sponsorship and contribution of promises...

WASTE & RECYCLING SERVICE IN WEST OXFORDSHIRE

Waste & Recycling Service in West Oxfordshire has done well in 2025, which was another year in which the current administration delivered ever more efficient and cost-effective Waste and Recycling Service for the residents. Waste and Recycling collection and processing are not the most glamorous, but they are the most public-facing and most expensive services the council delivers. The current WODC administration aims to continue delivering services that are reliable, resident-friendly, efficient, and environmentally sustainable....and the costs that are as low as possible.

Within the last 18 months, we completed a review of most of our service streams and have implemented the necessary improvements in line with our objectives. Most of our crews are now equipped with iPads to record bin collections or other tasks as they are being completed, so any missed collections and gaps in the service can be easily detected.

As a result of this work, we have seen a huge improvement in operational performance:

- Since 2022, the number of missed bins has gone down by 5-fold. Moreover, 92% of these missed bins are recovered within 48 hours.
- Replacement containers delivery time has been reduced from 6 weeks to 5 days

We made substantial financial savings; for example, we are saving around 500k a year on recycling material processing under the contract that we negotiated in 2023. We have also increased income from the paid-for services, such as garden waste and business trade collections. We can use that extra income to support improvements to our basic services. At the same time, we have progressed the programme of our fleet decarbonization. Just recently, the Council has procured four electric food waste collection vehicles.

Having a good strategy is fundamental, but a strategy implementation needs good teams. A great deal of this year's success is down to our new, excellent West Oxfordshire W&R team and the management and crews of our waste operation contractor Ubico. But the work doesn't stop there, and we continue working to find more performance and cost efficiencies.

Cllr Lidia Arciszewska, Executive Member for the Environment
Lidia.arciszewska@westoxon.gov.uk

4th January: 12 humans and two canines set off in a lefterly (if you were facing the Yeoman) direction, and soon became lost in Pogles Wood. After wandering around for at least 13 minutes we decided the best thing to do was build a camp to keep warm, this was quickly voted out when one of the group spotted a house, so we moved on in the opposite direction. It was a lovely ramble that we all agreed we would have liked to have gone on for hours, and it did....two hours. Our next ramble will be on **Sunday 8th February at 10.00am** from the bus shelter opposite the **Oxfordshire Yeoman**.

Are you recently retired and looking for local social activities around interests you have already or would like to pursue a new interest?

Our U3a branch is centred in Woodstock but welcomes people from the surrounding areas. Our interest groups develop when someone is willing to run them – maybe you have something that you can offer? If so please make contact with us through the website:

www.woostock u3a.uk. We would be delighted to hear from you. Monthly meeting are held on the first Thursday of each month at **St Hugh's Centre, Hensington Road, Woodstock, OX20 1JL. 1.45pm for 2pm speaker.**

In December our speaker, was Anna Beer, an author and historian who gave a fascinating historical talk about Beth Throckmorton known as Bess, the wife of Sir Walter Raleigh. She was a remarkable woman and the force behind Sir Walter Raleigh's achievements. When Queen Elizabeth I found out about their secret marriage and the birth of their son, they were both imprisoned in the Tower of London.

Our January speaker was Anna Boucher from the Burnside Partnership who specialises in Wills, Probate, Trusts and Power of Attorney. Anna gave us practical, down to earth advice on Wills, Trusts and Powers of Attorney. She stressed that this does not have to be a grim and morbid experience explaining how important planning for the future

The speaker on **Thursday 5th February will be Timothy Walker** a lecturer, botanist, author and gardener. The talk is entitled **How to be a 21st Century Gardener**. Visitors **£3** to include tea and biscuits.

Please note that in 2026 there will be a **change to the meeting time. Our new meeting time will be 2.15 pm for 2.30 pm speaker.** All welcome.
